

EMPLOYMENT OF PRINCIPALS AND ADMINISTRATORS

The Hull Public Schools shall employ Principals under individual contracts of employment. Said contracts shall be submitted to the School Committee for their approval of all terms concerning compensation/benefits, prior to the presentation of a contract of employment to the Principal. The compensation/benefit levels, above referenced, may be exceeded only with the approval of the School Committee.

Contracts issued to principals will be up to three years in length, and may be reissued by the Superintendent at levels of compensation/benefits, determined by the School Committee, provided that the Superintendent may employ a Principal under the terms and conditions of the previous contract of employment.

As a condition of employment, each Principal must maintain current certification, adhere to the policies and goals of the School Committee and the directives of the Superintendent, and annually must submit, with the school council, a school improvement plan for the school building(s) under his/her direction.

Principals

Salaries will be reviewed annually prior to July 1. The School Committee, with the advice of the Superintendent, will establish levels of compensation for each position based on the circumstances, dynamics, and requirements of each position. Consideration may be given to individuals for exceptional performance as a basis for establishing merit increases for Principals. It is the responsibility of the Superintendent to present evidence to the School Committee to support recommendations for merit increases.

Administrators

Salaries will be reviewed annually prior to July 1. The Superintendent may, upon the request of the Committee, survey other public schools to determine salaries being paid for comparable positions in each system. The survey will include the effective date of the specified salary.
