

## **SUPPORT STAFF POSITIONS**

Education is a cooperative enterprise in which all employees of the school system must participate intelligently and effectively for the benefit of the children. This school system will employ support staff members in positions that function to support the education program.

All support staff positions will be established initially by the Committee. In each case, the Superintendent will submit for the Committee's consideration and action a job description or job specifications for the position.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position reduced in event of de-staffing requirements, only the Committee may abolish a position it has created.
