

CHALLENGE AND ENRICHMENT PROGRAMS

Gifted and Talented students demonstrate abilities, talents and potential for accomplishment in one or more areas of endeavor that require special provisions to meet their educational needs.

A Gifted and talented educational program, if established, shall be identified and provided for students to develop task commitment and linguistic, special, interpersonal, interpersonal, mathematical, artistic, and analytical abilities and interests.

The academically advanced program shall be flexible, responsive to individual student needs and provide a variety of options for gifted students. These options should include higher level learning activities and experiences, opportunity for independent study, access to multiple resources and intellectual peer interaction.

The program shall provide gifted and talented students, families and educators an atmosphere of support and guidance.
