

STUDENT CONDUCT ON SCHOOL BUSES

The School Committee and its staff share with students and parents the responsibility for student safety during transportation to and from school. The authority for enforcing School Committee requirements of student conduct on buses will rest with the Principal.

To ensure the safety of all students who ride in buses, it may occasionally be necessary to revoke the privilege of transportation from a student who abuses this privilege. Parents of children whose behavior and misconduct on school buses endangers the health, safety, and welfare of other riders will be notified that their children face the loss of transportation privileges in accordance with regulations approved by the School Committee.

State law requires that smoking be prohibited on all school buses. All Hull High School policies are in effect at bus stops and on the bus. Students who take the bus are required to enter the high school immediately upon getting off the bus. Failure to do so will be considered leaving school grounds without permission.
