

## **STUDENT PERFORMANCES**

Instructors are encouraged to arrange for individual students and groups to provide public performances when such performances contribute to educational process objectives and when they do not interfere with other scheduled activities or classes within the school, as follows:

1. All occasions involving students will be approved by the building Principal;
2. The extended use of one particular group will be discouraged;
3. Students participating in a performance will conduct themselves in a way as to bring credit to their school; and
4. Performances that are scheduled outside school hours are preferred.

Student organizations may participate in the activities of the Hull Public Schools and with patriotic and civic groups in the community upon the approval of the Principal.
