HULL PUBLIC SCHOOLS

Hull Public Schools Vision

The Hull Public Schools, in partnership with our entire community, will nurture a culture of personal success, collaboration and support. We will develop well-rounded, enthusiastic learners and leaders who think critically and innovatively, while mastering the essential skills to advance in, and contribute positively to, our diverse and changing world.

Academics

- Free full-day kindergarten program is available to all students.
- Integrated preschool is available to students with special needs and to typically developing peers.

- 9 Advanced Placement courses offered to high school students.
- Through Virtual High School and Edgenuity, students have access to over 200 additional courses, including additional AP, science, business and foreign language courses.
- Hull High School is fully NEASC accredited.
- Music, art, technology, health and physical education programs are offered in grades K-12.
- Middle school and high school students meet weekly with a faculty adviser to monitor performance and foster a positive school culture.
- Middle school students have the opportunity to attend enrichment and intervention activities during the school day.
- High school students travel internationally to work with Habitat for Humanity and do volunteer in Dominican Republic and with the scientists in the Galapagos Islands.
- Students support local charities through community service.
- Hull High School graduates are accepted into many prestigious colleges and universities, including: Harvard, Bates, Boston College, Boston University, Brown, Fordham, RIT and MIT.

Rigorous academic programs

Independent Commendations

National Blue Ribbon School of Excellence awarded by the U.S. Department of Education

College Board AP Honor Roll and Gaston Caperton Opportunity Honor Roll

Technology

- All students in grades K-12 are issued either an iPad or a Chromebook. Coding is taught to all students starting in Kindergarten.
- High-speed wireless internet access is available in all schools, as well as a state-of-the-art foreign language lab at the high school. Most classrooms are equipped with interactive whiteboards.
- Technology education programs in grades 6-8 focus on the Engineering Design Process, where students design and build projects.
- Music and video production courses are offered. The school district partners with Hull Community TV to produce programs on local cable television.
- Hull High School offers a fully operational woodshop and a new partnership with the Hull Lifesaving Museum.
- Galileo Benchmark Assessment System grades 1-9 for a deep understanding of student achievement and growth.
- Moving Curriculum Maps to central platform, CHALK, to align curriculum to MA State Standards.

Hull Public Schools

Music, Theatre & Art

- All students in grades 6-12 have the opportunity to participate in band and chorus.
- The middle school and high school bands are keeping alive the long tradition of music excellence by performing at school and community events including parades, football games and dedications.
- Theatre programs available for students in grades 7-12. Students participate in the State Drama Festival.
- Advanced art offerings include Three-dimensional Art, Computer Imaging and Portfolio Development.

Athletics

- The Athletic Department offers varsity teams and junior varsity teams for students in grades 8-12, including sailing and golf.
- South Shore League 2021: participated in football and cheerleading Super Bowl at Gillette.
- The high school fitness center is open year round and is available to all students.
- Esports team grades 8-12
- Intermural track program in grades 6 & 7

Extended Services

- The Hull Family Network offers a variety of free activities for parents and their children, ages four and younger.
- Before-school and after-school care is available for students in grades K-5.
- After-school programs at all three schools are designed to assist students with academic performance and to provide enrichment opportunities.
- Internship opportunities for applied experience for seniors
