

Dear Parents and Guardians,

The fourth grade is pleased to present the **Jacobs School's 18th Annual Barter Flea Market** on Tuesday, December 17th. The proceeds from this flea market will help to stock the food pantry shelves at Wellspring.

For those not familiar with this wonderful event, *beginning now*, students will bring items to school for the flea market. (Here's your chance to clean out your closet—no clothing or stuffed animals, please.) Students will also bring in canned goods during this time. On the day of the Barter Flea Market, students will use the canned goods to purchase flea market items for their friends and family.

In this time of economic hardship, we hope to top our record of 2,000 cans to replenish the food pantry shelves for all those in need.

All flea market items may be sent up to the fourth grade until the big day (Barter Flea Market Day, Tuesday, December 17th).

Thank you for your support!

—Mrs. Lowry
