

JACOBS SCHOOL BLUE NOTES

OCTOBER 19, 2023

A Note from the Principal

Yesterday we conducted our first lockdown drill of the year, an essential part of our commitment to safety. Though I won't share specific details, I am proud to share that the police department praised the performance of both students and staff during the lockdown. As always, your child's safety within our building remains our highest priority.

Halloween is just around the corner, and it's essential to remember that, due to the prevalence of food allergies, we do not allow candy to be shared among students. Your understanding and cooperation in this matter are greatly appreciated.

Yesterday, our teachers took part in the second installment of professional development focused on our new CKLA literacy curriculum. The first session was a full-day PD scheduled before the school year began. This additional time allows our staff to delve deeper into the curriculum, explore available resources, and share best practices. I'm confident that this new curriculum will have a significant impact on enhancing each child's literacy skills.

A friendly reminder to our car rider families: Please remember to place your sign on the dashboard. This simple step ensures the safest and quickest means of dismissal for your child.

Fully committed to your child's success, always.

MARK YOUR CALENDAR!

A Message from Ms. Keegan

The Lions Club collects eyewear for their International Chapter. If you have unused prescription eyeglasses at home, please consider donating them to this cause.

There is a box in the Main Office at each of the three schools for your donation.

Thank you in advance.
