A Note from the Principal

School Resource Officer DelVecchio visited every classroom today to talk about Halloween safety. He made sure to remind students to always trick-or-treat with an adult and make sure to visit only houses that have outside lights on. Students were told to make sure to look both ways before crossing the street and do their best to travel in groups. Finally, students were reminded to have adults check their candy before eating. Fingers crossed the rain holds off and everyone has an enjoyable Halloween. Speaking of Halloween, tomorrow night is the big dance! The PTO has been hard at work prepping for the event and will be at the Jacobs setting up hours before the dance begins. They do such an incredible job transforming the cafeteria into a fun and festive environment. With that said, please remind your child of the school's expectations (Be RAD) and reinforce them during the dance. I know this will only contribute to a night of fun.

As we mentioned in last week's Blue Notes, last Tuesday was our first "Toolbox Tuesday". Students were tasked to use their **Garbage Can Tool** and let the little things go by writing down a small problem, crumbling it up into a ball, and disposing it in a large trash barrel outside the office. The goal was to fill that trash can by the end of the day. In typical Pirate fashion, our students rose to the challenge and overflowed the trashcan. *For their efforts, Tuesday, November 1 will be a Pajama Day!* Students can wake up Tuesday morning after a long night of trick-or-treating and hop right on the bus!

Have a fun and safe Halloween.
