

JACOBS SCHOOL BLUE NOTES

NOVEMBER 2, 2023

A Note from the Principal

Tuesday was a memorable day at the Jacobs School. Students who chose to dress up followed the Halloween dress code, and not a single one arrived in attire that disrupted the learning environment. This allowed us to maintain a balance between academics and fun. Adding to that fun was an end-of-day staff costume contest, with the winner determined by a schoolwide virtual vote. The special education team, a/k/a **Scooby & the Gang**, were declared the winners! The Ghostbusters theme played as cheering students lined the halls to high-five Scooby Doo, Shaggy, Velma, Daphne and Fred, on their victory lap through the school! It marked the creation of a new Jacobs tradition! This Friday, our fifth and sixth graders will have the opportunity to vote for the President, Vice President, Secretary, and Treasurer of this year's **Student Council**. It's a valuable learning experience for our students as they participate in the democratic process. On Wednesday we'll complete the student council voting process by deciding the homeroom representatives. This time of year is always thrilling as we witness our students' enthusiasm for shaping their school community.

Finally, JASPER registration is open! This year, we're particularly excited to add intramural sports to our offerings for our 4-6 graders. We're also pleased to announce that a **late bus service** will be available for our 4-6 grade students. More information regarding the late bus will be provided prior to the start of our after school activities.

Committed to your child's safety, social, emotional and academic needs, always,

—Mr. Shaw
