A Note from the Principal

February is Black History Month, which gives us the opportunity to engage in lessons, activities and projects that recognize the many accomplishments and contributions of African Americans to our country and our world. We look forward to great learning experiences for all our students!

In addition to Black History Month, February is also Kindness Month at the Jacobs School. Kindness will be the theme of tomorrow's Spirit Day Assembly, with a particular focus on equality and acceptance. In celebration of Random Acts of Kindness Day on February 17, our Student Council members have put forward a challenge to the school community to complete random acts of kindness each day. Students and staff will record each act of kindness on a strip of brightly colored paper. The paper strips will be collected each day and linked together to form a colorful chain that will stretch along the cafeteria wall with our giant TOGETHER sign. I think watching the chain grow each day will inspire our students to show even more kindness towards each other.

Stronger Together.

~Mr. Shaw
