

JACOBS SCHOOL BLUE NOTES

March 28, 2024

A Note from the Principal

We're incredibly excited for this year's MCAS administration, kicking off this Tuesday! Special breakfasts, afternoon ice cream treats, exciting raffle prizes, energizing pump-up music, student choice in unified art classes, calming therapy dog visits, and nutritious classroom snacks are just a few of the fantastic elements included in this year's Game Plan! Please click [this link](#) if you are a 3-6 grade parent or guardian and would like to get involved.

Yesterday our 6th grade students took part in a beach cleanup initiative led by science teacher Mrs. Weber and parent volunteer/local artist Jackie Kilroe. Students collected over 40 bags of trash (and other detritus too big for the bags) that had washed up along the beach from A Street to XYZ. In the coming weeks, students will sort and document the collected trash, and submit their data to the Center for Coastal Studies for further analysis. The trash will then be repurposed by our 5th and 6th grade students to create art installations in Mrs. Pestone's and Ms. Cicalese's classes. The resulting trash-to-treasure art will be on display in the Upper School for years to come.
