

Jacobs School Blue Notes

April 11, 2024

A Note from the Principal

And just like that, eight sessions of MCAS are behind us in only four days of testing. We've reached halftime of this year's Game Plan, and it's time to assess what went well and what we need to adjust to ensure the fun and high level of engagement continue during the final days of testing. Let's keep up the momentum!

Whether or not your child is participating, this year's **Jacobs Has Talent!!!** Show is a must-see event! The lineup of acts is incredible, featuring everything from rock bands and skateboarding to comedy, dance, solo artists, father-daughter acts, and magic. Organized by our student council, the event promises to be entertaining for all. Funds raised will support student-centered activities such as the 6th Grade Nature's Classroom trip, field trips, and recess equipment. Don't miss out—mark your calendar for **Jacobs Has Talent!!!** April 24 at 6PM!

I hope you all have an enjoyable April Vacation!
