

# Jacobs School Blue Notes

April 25, 2024

## A Note from the Principal

Wow! What a show last night! Students in grades 4-6 wowed the crowd with their incredible talents, showcasing the diverse skills of our Jacobs pirates. Thank you to everyone who attended and, of course, to all the talented participants in the *Jacobs Has Talent Show*. A special shout-out goes to our Student Council, led by Mrs. Rajan, for organizing such an amazing event.

Next week marks the beginning of the "Second Half" of this year's MCAS administration and Game Plan. If it's anything like the first, we are poised for success!

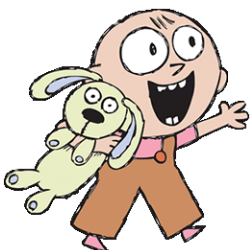

Lastly, over the next few weeks, we'll be making class placement decisions for the upcoming school year. Our goal is to create balanced, diverse learning communities that meet the needs of all students. In this process, we take into account factors like learning style, developmental readiness, and support services. Our team of teachers, counselors, and specialists collaborates to ensure thoughtful placements. We also value input from parents/guardians. If you have specific considerations or information you'd like us to consider, please email me at [kshaw@town.hull.ma.us](mailto:kshaw@town.hull.ma.us) by May 10. This input is a valuable part of our planning process.

—Mr. Shaw

Holly Hill Farm has been here working with our students and preparing our spring garden. Second graders planted sugar snap peas, Kindergarteners planted carrots and 5th graders planted salad mix — many ingredients we will be able to use in our cafeteria in the fall!

## Pajama Story Hour on May 2!

We'll be reading "Knuffle Bunny" and making a related craft at Pajama Story Hour on Thursday, May 2 @ 5:30. Please pre-register to ensure we have enough craft supplies for all participants. Click [here](#) to register!
