

Jacobs School Blue Notes

April 7, 2022

A Note from the Principal

We are beginning to see increased conflicts with students around social media. We have invited a representative from the Plymouth County District Attorney's Office to talk to fourth and fifth-grade students about internet safety on April 14. This **Cyber Sense Presentation** addresses issues students face while utilizing the internet: digital footprint, cyberbullying, the dangers of interacting on the internet, and the associated consequences.

On April 13 at 6:30 PM, there will be a *virtual* Cyber Sense Presentation **for Parents and Guardians**. You must [register in advance](#) to receive a confirmation email containing a Zoom link to join the meeting. I hope that you will make time to attend this important presentation. Please see the attached flyer for more information.

Our fifth graders have completed the ELA portion of MCAS testing. Monday morning, they were surprised to find encouraging cards and posters created by second-graders, thoughtfully placed on their desks. The kind words of encouragement embodied RAD behavior. Kindergarteners and first-grade classes have each adopted a third or fourth-grade class to cheer on before their MCAS testing. *Jacobs Pirates are the best at being kind to one another!*

~Mrs. Cappadona

Students in Grade 3 are required to have an updated physical examination on file. Please send updated forms to the school nurse.

Many families across the South Shore have been financially impacted by the COVID-19 Pandemic. Should you require housing assistance, please contact Maureen Rosenplanter at 781-925-4400 ext. 1228.

Mark Your Calendar!
