### Jacobs School Blue Notes August 31, 2023

#### A Note from the Principal

We're off to a great start amidst all the changes that occurred over the summer! Our students are settling in and the school is bustling with activity.

The addition of the sixth grade marked a significant step in the history of the Jacobs School. Although they are in the same building they know so well, our 6<sup>th</sup> graders will have a whole new school experience. Their genuine curiosity and excitement is

evident as they acquaint themselves with lockers and the new surroundings. Grades 1 to 5 students navigated the new configuration of the building during their first day of school with ease and embraced the opportunity to reconnect with friends and explore the updated classroom features. And today, kindergarten students embarked on their Jacobs School journey with enthusiasm and wonder for the adventure that lies ahead.

If you haven't had the opportunity, I highly recommend checking out the Student Council's Welcome Back Video that best demonstrates the many changes here at the Jacobs. An important upcoming event is our all-school assembly on Friday, during which we'll reveal the guiding "One Word" for the year. This subtle motivator will underscore our collective efforts to make this year the best year ever! If you have any RAD photos, we'd love to add them to the slide show that caps every assembly.

Amid the logistics, I'd like to address minor concerns regarding our bus company. Rest assured, we are actively collaborating to address these matters promptly and ensure smoother transportation for our students.

Your continued confidence and support are integral to our school's success. We appreciate our partnership and look forward to fostering an environment of learning, growth, and accomplishment throughout the year. Stronger Together!
