

# Jacobs School Blue Notes

## September 15, 2022

### A Note from the Principal

Last night was amazing! The two hours Mrs. Menice and I stood at the door seemed to pass in a blink of an eye, with a steady stream of students and families coming and going from start to finish. The attendance speaks to the dedication, commitment and partnership that you have in your child's education. The Jacobs School's *One Word* for the year is **Together**. Last night proved to me our One Word extends beyond the walls of the Jacobs School. We are stronger together!

Over the last two days all bus riders took part in a quick bus evacuation drill. This is a mandatory drill during which students listen carefully as their bus driver explains the procedures for an emergency situation. Mrs. Menice will be expanding on Bus Safety as well as other safety precautions during our next assembly.

The United States Attorney's Office is hosting a virtual Internet safety presentation for families the evening of Tuesday, September 20th from 6:30 – 7:30 pm. The presentation, entitled **Keeping Kids Safe and Secure Online: A Project Safe Childhood Presentation for Parents** will bring awareness to the dangers of the internet. The presentation will focus on prevention by educating parents and community members how to help keep children safe online. I would encourage you to consider attending. The presentation is free. Registration is required. The link to register is included on the attached flyer.

Don't forget, next Tuesday is Picture Day!
