A Note from the Principal

Effective communication between our school and families is crucial for your child's academic success. While traditional methods such as phone calls and emails have served us well and will continue to do so, we have decided to implement a single platform, Seesaw, as our *primary* means to connect with all of you. By streamlining contact to a single app, we are ensuring that information reaches its intended targets as efficiently as possible. Seesaw has been used successfully in Grades PK-2 for several years, and I'm excited to share that at this time, all of our staff have been trained and certified in its use. For those who aren't on Seesaw yet, we will provide information soon about downloading the app and getting connected!

As you know, safety is always our top priority. With this in mind, I'd kindly request that car riders not be dropped off before our doors open at 8:25AM. Supervision will be available from 8:25 onwards, both outside the school and within, but not before. Your understanding and cooperation in adhering to this schedule greatly contribute to the smooth and safe start of our school day.

Don't forget, next Friday is our second Spirit Day of the year and it's not too late to send in RAD photos! Stronger Together.
