

# Jacobs School Blue Notes

April 14, 2022

## A Note from the Principal

Today, three artists from the South Shore Arts Center visited fifth-grade students to present a program titled "**Art Builds Community.**" Students learned about such street art as murals and graffiti. After the artists' presentation, students had the opportunity to use the techniques they learned to create their own art.

Also today, our fourth and fifth graders attended a presentation on **Cyber Safety**. A Plymouth County District Attorney's Office representative talked with students today about being very careful about what they post on social media platforms.

The Massachusetts Chiefs of Police Association has designated Friday, April 29, as **Police & Kids High Five Friday** to build relationships between officers and students. The Hull officers want to make positive impressions on our students. On the Friday after vacation, police officers will be outside and around our school to greet students with a high five.

The Jacobs office will be closed Friday, April 15, and Monday and Tuesday of next week. I hope everyone has a fun and safe April vacation.
