BLUE  
NOTES

### A Note from the Principal

Thank you for your support during our week of remote learning. I know it isn't easy to manage your child's learning from home. We are looking forward to having students back in the building on Monday. We all must continue to keep our guard up and be vigilant with appropriate mask-wearing, social distancing, and handwashing/sanitizing.

It has come to my attention that vehicles leaving the school after drop-off have been driving around school buses that are stopped and have their lights flashing on Harborview Rd. Also, our staff has witnessed vehicles passing others in the arrival and dismissal lines. I understand the mornings and afternoons are a busy time for families. However, our students' safety is our number one priority, and obeying the traffic laws is imperative to their safety.

Our Read-A-Thon has been rescheduled for Friday, February 26, through Sunday, March 7. It will run in conjunction with our Literacy Week activities, making for even more fun learning and reading. We will kick off this big event with a virtual assembly on Friday, February 26, which I now declare a Spirit Day!

I never thought New England Fans would cheer on any other team, but... *Go, Buccaneers!* Have a great weekend.

### Ms. Keegan's Health Tips

#### Travel Guidelines

With February vacation approaching, please be aware that there are rules in place related to travel. To help prevent the spread of illness, all members of the Hull Public Schools community have a shared responsibility that extends beyond our schools and into our homes. It is crucial that we all remain committed to the current health and safety guidelines to keep students, staff and families safe. **If your family plans to travel out of state please refer to the COVID-19 Travel Order at the link below for protocols on returning to Massachusetts and to school.** As always, please contact your school nurse with any questions and/or concerns. Thank you.
