

# Jacobs School Blue Notes

## June 3, 2021

### ***A Note from the Principal***

Today, the graduating seniors from the high school paraded down the street in their caps and gowns while students and staff lined the sidewalk to cheer them on. It was a joy for us to see how much they have grown and matured and what remarkable young men and women they have grown up to be—best wishes to the Class of 2021 as they graduate from Hull High School on Saturday!

Thank you to all who took the time to fill out our survey. The feedback is helpful as we begin to think and plan for the coming school year. Two things that are already in the works for next year are small class sizes and students attending specialists! We are excited to return to a more typical school experience as we continue to follow all health and safety guidelines during the 2021-22 school year.

We are still finalizing end-of-the-year activities, including a new take on Jacobs Field Day (Pirate Day!) as well as our Move-Up Day.
