

JACOBS SCHOOL BLUE NOTES

For the week of October 21, 2019

A Note from the Principal

I hope everyone rode out last night's storm with little to no damage and were not too inconvenienced by today's delay. It was a windy night on the coast!

Check out our picture book library space! Last spring, the PTO unanimously voted to provide the Jacobs Elementary School's Library \$1,824.00 from funds raised during the 2019 Read-A-Thon. The funds were used to purchase new bookshelves for the picture book area in the Library. These bookshelves make it easier for our younger students to peruse through books. Thank you to the PTO for your constant financial support and volunteers. A special thank you to Amy Hyde and Carolyn Reynolds for all your help ordering and transferring the books to the new bookshelves. The library just got cozier and more accessible for our students!
