

Jacobs School Blue Notes

For the week of September 17, 2018

A Note from the Principal

Open House was a huge success. It was wonderful to see both past and present students and families.

During our Open House, each classroom teacher had a signup sheet for a **Room Parent**. On Friday, September 28th there will be a meeting from 9:30-10 for room parent orientation. Do not feel obligated to attend the meeting if you have been a room parent in the past and feel you know the role.

One of my favorite things last week was having lunch with the students who read more than 15 books over the summer. Mr. Shaw and I enjoyed our lunchtime immensely. We had fun conversations about summer vacation, movies & TV shows they love and more. Last Friday, we had our first all-school assembly where we showed a video created by last year's 5th-Grade Student Council members to demonstrate following our Core Values and being RAD.

Starting this year all students will be taking six Health classes during one of the three trimesters in which they have an extra PE block. Students will learn about nutrition, heart health, hygiene, self-esteem, social and communication skills. Any questions about the health lessons, please email Mrs. Leonard

Just a few reminders about bus transportation:

- Kindergarten students must have an adult meet them at the bus stop to get off the bus. The adult must be visible to the bus driver before the Kindergartener gets off the bus. If someone other than a parent or guardian is picking a student up at the bus stop, the bus driver **must be given a note** as to who will be getting the Kindergartener off the bus.
- Parents/Guardians may not board a school bus. If there is an issue, tell the bus driver, and he/she will report it to a staff member at school.
- Please contact Mr. Shaw if there are any concerns or problems on the bus.

Together we make the Jacobs the best it can be.

-Mrs. Cappadona
