

# Jacobs School Blue Notes

For the week of September 10, 2018

## Dates to Remember

Sept 12—Picture Day  
Sept 12—Open House 6-8pm  
Sept 17—School Committee 7pm @ HHS

### *A Note from the Principal*

Today we had our first fire drill. Our students followed all instructions and exited the building flawlessly in just four minutes! Everyone is busy learning expectations and practicing routines, and we will continue to practice safety procedures throughout the year.

Six days of school, so far. While some of you may be getting an earful from your children about their day, others may get little to nothing. Here are some questions that might help you pry some information from your child about his or her school day: *What was the best part of your day? Tell me what you learned about in math? What book are you reading for homework tonight? What made you laugh? How did you follow the Core Values today?* Each evening it is important to set aside time for students to read for 20-30 minutes, and to play a math game in the younger grades. Our fourth and fifth-grade students will be assigned more formalized homework to practice the skills they are learning in school.

The fourth-graders had the most student participation at the Color Splash Fun Run, and yesterday they were treated to a popsicle, courtesy of the PTO, during their afternoon recess!

The district has launched the new website at [www.hullpublicschools.org/](http://www.hullpublicschools.org/). Use the social media links for each school and the district to stay current with all that is happening in the Hull Public Schools. The new website will continue to be under construction for the next few months.

This Wednesday is picture day. Please send your students in with the completed order envelopes from Hockmeyer Studios. That night we have our Open House from 6-8 PM. We are looking forward to seeing everyone. Together we make the Jacobs the best it can be.
