

Jacobs School BOO Notes

October 28, 2021

A Note from the Principal

I hope everyone has weathered our first Nor'easter! We were fortunate that not many lost power in Hull like so many of our surrounding towns. Today our staff wore jeans and pink, and made donations in memory of Emma Ryan, a Hull High School student who passed away unexpectedly five years ago. Emma was the daughter of Mrs. Ryan, one of our fifth grade teachers. Emma's caring, kindness, and joy live on in the many kind deeds performed in her name. The Ryan family started [The Emma Ryan Memorial Fund](#) (EM20) in her memory. The foundation provides scholarships and awards to high school students and sponsors various events and activities each year. This year in conjunction with the Hull PTO, The Emma Ryan Memorial Fund donated blue light glasses to our whole school!

Just a reminder, students may wear their Halloween costumes to school tomorrow but must leave any costume masks and accessories at home.

~Mrs. Cappadona

Once again influenza vaccine will be available for students to receive at the Jacobs Elementary School. If you are interested in having your child receive the vaccine at school please complete the attached consent form and return it to the school nurse.

Winter Coats

The Jacobs School has a supply of new and lightly used winter coats. If your child is in need of a coat for the winter, please contact Maureen Rosenplanter by email or call 781-925-4400 x1228.

Mark Your Calendar!

Oct 29—Wear Your Costume to School!

Oct 29—Ms. Money & the Coins

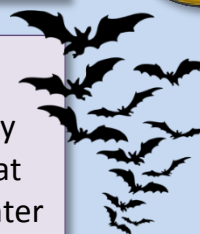

Nov 11—Veterans Day, No School

RAD Photos, Please!

Send photos of RAD Jacobs Pirates having fun in their Core Value T-Shirts or school colors to Mr. Shaw at kshaw@town.hull.ma.us! They'll be featured in our next Spirit Day slideshow and maybe right here in the Blue Notes!

Jacobs School Secretary Wanted

Send your resume to Mrs. Cappadona at

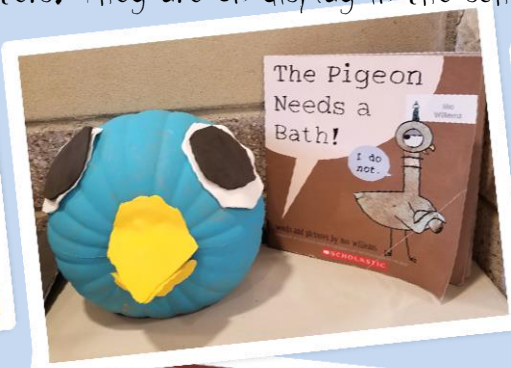

ccappadona@town.hull.ma.us

Christine Cappadona, Principal

Kyle Shaw, Assistant Principal

The Hull Public School System Does Not Discriminate On The Basis of Age, Race, Color, National Origin, Gender, Gender Identity, Disability, Homelessness, Religion, or Sexual Orientation.

Our First Grade Students are proud to present their Halloween Book-O-Lanterns, pumpkins decorated as some of their favorite book characters. They are on display in the school lobby for all students to enjoy!

The Jacobs School's One Word this year is Kindness! So in the spirit of kindness the Hull PTO and the Emma Ryan Memorial Fund donated blue light glasses to our whole school!

What is blue light? Blue light is a high-energy visible light and has shorter wavelengths. It is known as blue light because it is on the violet-blue band of the spectrum. Blue light is present in sunlight but is also something we can see from screens such as TVs, computers, smartphones and tablets.

Why block blue light? As the world becomes more and more reliant on technology, research is beginning to unfold about the potentially harmful blue light that comes from our phones, computers, and TV screens. Blue light glasses help filter out the blue light and protect your eyes.

Kindness is a gift everyone can afford to give. Sprinkle kindness everywhere you go!
