Why

Fishing is a fun, fulfilling hobby that allows you to experience the outdoors and new areas that were otherwise unknown.

Saltwater fishing in Hull is incredibly accessible from the shore and the local fishery offers a variety of different types of fish to catch and ways to go about catching them. Fishing is both a skill to master and a peaceful way to unwind from life. I hope to relay how much I've benefited from this hobby and the water to the curious kids experiencing this coastal town in the summer just like I once did.
