

SPRING PREPOSITIONS

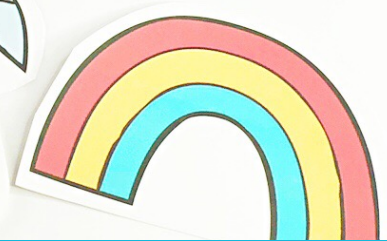

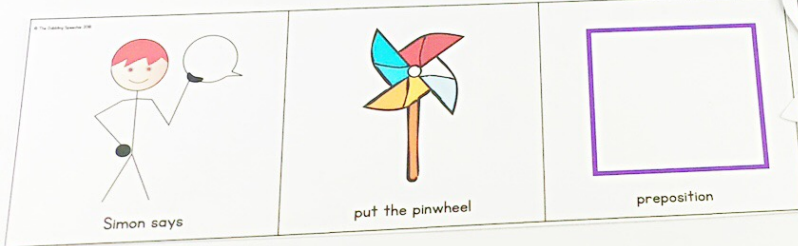

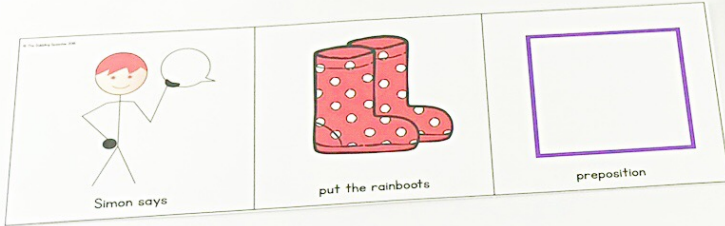

Activity: Spring Simon Says

1. The teacher/cad/SLP models how to play Simon's Says Preposition by being the first to give directions.
2. As students begin to understand the game, they can be Simon. Use the sentence frame for students that need the visual support.

Examples of Simon Says:

- Simon says put the pinwheel under the kite.
- Simon says put the rainbow behind the rainboots.
- Simon says put the kite next to the rainboots.
- Simon says put the rainbow in front of the kite.
- Simon says put the rainboots on the pinwheel.
- Simon says put the pinwheel between the kite and rainbow.

Activity: Spring Simon Says Prepositions

1. The teacher/aid/SLP models how to play Simon's Says Preposition by being the first to give directions.
2. As students begin to understand the game, they can be Simon. Use the sentence frame for students that need the visual support.

Examples of Simon Says:

- Simon says put the pinwheel under the kite.
- Simon says put the rainbows behind the rainboots.
- Simon says put the kite next to the rainboots.
- Simon says put the rainbow in front of the kite.
- Simon says put the rainboots on the pinwheel.
- Simon says put the pinwheel between the kite and rainbow.

Activity: Who Has The Umbrella?

1. If you have a small group of 3 students, use stuffed animals to hide the umbrella under.
2. Students have to ask the animal "Who has the umbrella?" using the visual sentence frame
3. Do this activity as a whole group and hide all 6 umbrellas. If not, use the aids and teachers to participate.
4. Have students work on turning their body towards the speaker and giving eye contact.
