

Tales of a Lonely Pug Who Became a King

Write or type a story about a pug who becomes King of all Pugs. Your story must have at least five sentences. Each sentence must be capitalized and end with a period. Your sentences have to be readable, so put in your spaces between your words. Use lined paper. I have included the Handwriting Without Tears Paper if you want to use it. Place your letters correctly on the lines. Good luck! Ms. Faherty OT
