

Strategies for Learning 2018-2019

Mr. Cameron

6 credits

ECameron@town.hull.ma.us

Strategies For Learning: is a course for students who are identified as needing improvement in their study skills and time management. The course places an emphasis on reading, writing, and math skills, organization, and test taking strategies. Students will become aware of their own learning style and develop new strategies for learning.

Expectations:

- Students will be in their seats when the bell rings.
- Students will come to every class prepared.
- Students will be expected to work hard throughout the entire period. Students will come for extra help if they do not fully get a concept covered in class. Extra help sign-up sheet is posted in the classroom.
- Students will not bring food or drinks to class.
- Cell Phones are not allowed in class
- Students will act respectful to everyone in the room.

Course Evaluation Criteria:

- | | |
|-------------------------|-----|
| • Weekly Planner Checks | 20% |
| • Class participation | 20% |
| • Class work | 60% |
