Course Evaluation Criteria:

- | | |
|---------------------------------|-----|
| ● Tests | 45% |
| ● Quizzes | 35% |
| ● Homework | 10% |
| ● Class participation/Classwork | 10% |

* If there is only one test given during a term, then the quiz grades for that term will be averaged and used as a test grade.

Homework:

Homework will be given just about every night. Homework is an opportunity to practice and review the concepts presented in class. Homework is graded and is considered 10% of your grade. All work must be shown; otherwise it will not be accepted. The homework grading scale is listed below:

<u>Grade</u>	<u>Requirements</u>
100%	Assignment is complete, neat, and best effort is evident.
85%	Majority of assignment is completed, the assignment is neat and best effort is evident.
70%	75%-70% of the assignment is completed, the assignment is neat, and effort is evident.
50%	Half of the assignment is completed, the assignment is neat and effort is evident.
0%	Assignment is less than 50% completed, not handed in on time, not legible, no work is shown, no effort is evident, or copied from another student.

No late homework will be accepted. You are welcome to make-up any missing assignments during E & I or after school for partial credit. If you are absent, you are responsible for all missed classwork and homework. All homework will be posted in Google Classroom, please check in with me for any additional classwork assignments. For each day of absence you have two days to complete the missed assignments to receive full credit. Anything later that that will receive partial credit.

Make-ups and Retakes for quizzes and tests:

Students may make up a quiz or test if they have a valid reason for missing that day. If you miss a quiz or test, it is your responsibility to approach me to reschedule a new time to take the assessment. The missed assessment will be graded as a zero and the grade will be updated once you take the assessment. This will help remind you that you need to take it!

Students may retake any test or quiz they feel they did poorly on after school or during E & I. I will average the retake grade with the original grade. This may be done up until a week before grades close for that term.

Don't count the days, make the days count and let's have a great year!
