Our Purpose

This is a grassroots effort to help Hull citizens during these challenging times. We are dedicated to making SYFB Meal Kits available to all who will benefit.

SYFB History

Since creating the program in December 2020, SYFB has been helping to feed individuals and families. Initial funding was provided through donations to WellSpring in honor of Dennis Zaia's birthday.

We know we have only scratched the surface of individuals and families who can benefit from our Meal Kits. Since December, we have distributed 474 Meal Kits, the equivalent of 105 meals per week for Hull citizens.

How Can You Help?

You can help by spreading the word about our free Meal Kits. Whenever possible, bring a meal to someone who may not be able to pick one up themselves.

Share your questions, comments, or feedback with us at WWW.SYFB.SPACE and like us on Facebook [@SYFBHull](https://www.facebook.com/SYFBHull).
