Pirate Academy

Grade 6 Pirate Academy students enjoyed a First Day of School Zoom meetings with the in-building students and teachers. All students have begun their morning meetings and their work on the Edgenuity program. On September 30th, students will begin weekly virtual meetings on Wednesdays with the entire grade level.

Feel free to e-mail Lisa Dillon at ldillon@town.hull.ma.us with questions.

Notes

Okay, bear with us! This is the middle school's first attempt at a weekly newsletter. Over time, we hope to improve its appearance and functionality. The main purpose of the newsletter is to provide families with the Grade Level Learning Plans located immediately below this note. These plans are designed to help families locate information about remote learning.

Wellness

Getting sleep schedules back on track can be difficult, especially during remote learning. Click on the attached link for some suggestions!

In collaboration with the Hull board of Health, the influenza vaccine will be available to students/staff/siblings/parents at the Memorial Middle School. Click the link to see the Vaccination Information Statement and to print the consent form. The flu vaccine will be administered to your child during the school day after the consent form is returned to school.
