Dear Parents/Guardians,

It is almost time for parent-teacher conferences. Parent-teacher conferences are a great way to provide a foundation for a partnership between families and schools. Conferences encourage home-school linkages and help support children's learning when:

- Parents and teachers engage in dialog about the student's learning and development on a regular basis.
- Parents and teachers are willing to listen and learn from each other.
- Parents and teachers come to the conference prepared to ask questions and share information that will benefit the student.

Parent-teacher conferences are November 16 from 1:00 – 3:30 PM and 5:30 – 8:30 PM. Please use the parent-teacher conference reservation link below to indicate the days and times that would work best for you. Parent-Teacher conference reservation link:

My goals for our conference together is to inform you of your child's growth and progress, learn important information from you regarding your child, plan for your child's future success and build a trusting relationship with you.

Please feel free to contact me if you have any questions or will be unable to meet during the day of scheduled conferences. I would be more than happy to arrange an alternative date with you. I look forward toward seeing you!

Thank you,

Michael Knybel, Principal
