II Essay 1

Explain in essay form what impact theatre had on your high school career, what (if anything) you plan to do with theatre in the future, and why do you think you are deserving of this scholarship award.

III Essay 2

Clearly, the pandemic created many problems for high school theatre groups. Hull High School Theatre was no exception. For the first time in many years, there was no major musical, no public performance, and no getting together as a group as a theatre family. What, if anything, did you do to help keep the theatre program together?

IV Essay 3

Once you joined the theatre program, if you did not participate in any of the following shows, please explain why you didn't.

V Essay 4

If you participate in any other fine arts activities in addition to theatre, either in school or elsewhere, please list and explain.
