Coach Nomination Form

Men and women who have made tremendous contributions to the Hull High School Athletic Programs are eligible for nomination to the Hull High School Athletic Hall of Fame. Eligibility shall begin two years after service to the Coaching position has ended.

This form should be used as a cover sheet for a **PACKAGE** of information to be presented to the Hull High School Athletic Hall of Fame board of Directors. Important information should include: years coached, teams coached, championships, awards, and other pertinent information.

The more research that the nominating party does, the less the Board of Directors must do. This is to say – an impressive, comprehensive presentation makes a better case for your candidate. Articles, stories, and other supporting information are encouraged.
